**OLD BUSINESS**

- 1) Approval of Minutes from August 12, 2010.

## **NEW BUSINESS**

### **1) North 12<sup>th</sup> Street and El Camino Real**

Citizen is requesting that the Traffic Committee to look at traffic issues on North 12<sup>th</sup> going west from El Camino Real. The citizen represents the owners that live on San Diego Loop, Cabrillo Court and Balboa who access their homes from North 12<sup>th</sup> Street. North 12<sup>th</sup> Street curves out of sight making visibility for a turning driver to see oncoming traffic, traffic that is often going faster than the posted speed. Citizen believes possible remedies could be "Caution" signs for downhill traffic; trimming the tree that hangs over the fence blocking the curve in the road and/or police citations to remind motorists to slow down.

### **2) 254 North 14<sup>th</sup> Street**

Citizen has concerns regarding parking on the street outside of the complex on Monday evenings and Tuesday mornings due to trash cans on the street on trash day.
