NEIGHBORHOOD WATCH

What is Neighborhood Watch?

Put simply, the idea is neighbors looking out for neighbors! Neighborhood Watch is a crime prevention tool which enlists the active participation of citizens in cooperation with law enforcement to reduce crime in their communities.

It involves:

- Neighbors getting to know each other and working together in a program of mutual assistance
- Citizens being trained to recognize and report suspicious activities in their neighborhoods
- Implementation of crime prevention techniques such as home security, Operation Identification, etc.
- Keeping your neighborhood watch group informed of crime occurring in neighborhoods and the city
