

CITY OF GROVER BEACH TOT/TMD PAYMENTS

TO ESTABLISHMENTS THAT PAY TOT/TMD

Pursuant to City Council action on March 30, 2020, the City is temporarily **delaying late penalties and interest until no later than August 31, 2020.** for the following TOT payments for your lodging property:

- received during February 2020 and due on March 31, 2020
- received during March 2020 and due on April 30, 2020
- received during April 2020 and due on May 31, 2020
- received during May 2020 and due on June 30, 2020

Please note:

1. As your lodging property collected TOT revenues from guests on behalf of the City, the February, March, April and May 2020 TOT payments are payable to the City by the identified due date. However, the City will not impose late penalties and interest on these payments until after August 31, 2020.
2. The City is still requiring that **TOT/TMD forms are due at their normal deadline** to help the City track this information, meaning you will still need to file TOT/TMD forms with the City each month as follows:
 - Completed TOT/TMD forms for February 2020, due on March 31, 2020
 - Completed TOT/TMD forms for March 2020, due on April 30, 2020
 - Completed TOT/TMD forms for April 2020, due on May 31, 2020
 - Completed TOT/TMD forms for May 2020, due on June 30, 2020
3. The SLO County Tourism Marketing District (SLOTMD) 1% assessment paid to Visit SLO CAL is still due on the normal deadline and must be submitted to the City as follows:
 - 1% TMD received during February 2020, due on March 31, 2020 and
 - 1% TMD received during March 2020, due on April 30, 2020
 - 1% TMD received during April 2020, due on May 31, 2020
 - 1% TMD received during May 2020, due on June 30, 2020

If TOT/TMD forms are not completed and received by the due dates outlined above, penalties and interest will NOT be waived for the month(s) that a TOT/TMD form is submitted late. For example, if your TOT/TMD form for February 2020 is submitted after March 31, 2020, you will be charged penalties and interest for your February TOT/TMD payment.
